SMOKE ALARM

Detect smoke, issue alert
Send notifications to smartphone

Don't need home gateway, you can easily achieve intelligent control of home appliances, simple operation easy to use.

2.4GHz WiFi One-Key Connect Easy Setup

Certified By
TÜV Rheinland CERTIFIED   CE   RoHS   ISO   ETL

SPECIFICATIONS

Model No.	WP-50
Operating Voltage	DC3V battery (The battery is included)
Battery for Wifi Base	DC6Volt battery, 3-5 years lifespan, replaceable
Standby Current	<12uA
Alarm Current	<35mA
Material	ABS fireproof material
Low Voltage Threshold	4.8V
Alarm Sound	>85dB/3M
Alarm Mode	Siren with Flash(Red LED &buzzer) +APP notification
Wifi Working Standard	2.4G Hz 802.11b / g/ n
APP	TUYA smart
Detection Net Weight	140g
Installation method	Ceiling mounted
Humidity	0% ~ 95%RH (No condensation)
Execute Criterion	EN14604:2005/AC:2008
Product lifespan	10 years
Product Size	Φ110mm×H57.15mm
Single Packing Size	132mm*123mm*68mm

PRODUCT ADVANTAGES

1. Built-in 3V lithium battery, 10 years lifetime.
2. Photoelectric sensitive sensor.
3. Buzzer, over 85db alarm sound.
4. Red LED, LED flashes every 53 seconds in monitoring status and flashes quickly when alarms.
5. Test/hush button, test the normal operation and the hush function.
